Staff Present: Brad Mason, Brian Guggisberg, James Fotia, Michelle Cole, Antonette Llamas

C. Approval of Minutes – On motion of Dave Eason, second by Ronald Stutt, the minutes of April 10, 2014 were approved as submitted.

II. Public Participation

A. Community Input – none

III. Presentations and Reports

A. Budget Review and Project Update – Brad Mason

Mr. Mason shared with the Committee that the only activity with Measure R funds since the April 10, 2014 meeting was credited interest. Measure R funds will be utilized once the parking lot is ready to be finished at Citrus Valley High School.

Mr. Mason provided the Committee with a brief update on non-Measure R projects in the District. The RHS Fencing Project had been put on hold while the District completed the rollout of laptops and laptop carts at all school sites for the Smarter Balanced state testing. Approximately 13,000 laptops are now being used at school sites. Laptops were distributed for all students in grades 2-6 and all English and Math students in grades 7-12. With the completion of the laptop rollout, the District hopes to conceptualize the RHS Fencing Project in the spring with construction to begin by summer. Mr. Mason gave a quick update on the Measure J Lock Retrofit Project, noting that all sites have received the required infrastructure for the key pass system, which will allow all doors connected to be locked simultaneously. Once all mechanical locks have been installed the key pass system will be activated. Member John Walsh shared with the Committee that his wife is a teacher within the District and she is pleased with the new locks.
