

AFTER-SCHOOL BAND SCHEDULE

After-School Bands will begin in late October and continue throughout the year until the middle of May! This rehearsal is **IN ADDITION** to our regular classes, so all Band students will now have two music classes a week! Because the After-School Band Program will combine one or more schools together to form the bands, some schools will be bussed after-school to a 'Host' school, where the rehearsals will take place. Host school students will attend right after school in their own school cafeteria.

The students bussing from their school to a 'Host' school will go to the music bus and leave at approximately school dismissal time. **Rehearsals will always conclude at 3:30pm.** Students being bussed will then return to their own school to walk home or to be picked there. Buses pick up students and depart the host schools at approximately 3:40 to 3:45pm. Actual return time varies depending on distance to the return schools, the # of stops, return order, traffic etc...
